or call 604.681.2351

Featuring guest speaker: **John Horton**

Our guest speaker for this year's event is Mr. John Horton, the internationally recognized and highly accomplished marine artist but also a founder member of the Canadian Lifeboat Institution (CLI). John will speak to his own life and naval career including his assignment by the Royal Canadian Navy to record Operation Apollo in the Arabian Gulf in 2002. In recent years, John has given over his time to the development of the Canadian Lifeboat Institution, which in May this year formally accepted into its service The Fraser Lifeboat, a former RNLI craft which was shipped to Vancouver free of charge by Grieg Star Shipping in 2013. She is now providing valuable service on the Fraser River.

As many know, John is also an accomplished historian in detailing the life and times of Captain George Vancouver, the 18th century explorer who gave his name to our city. John's work graces the offices and homes of many members of Vancouver's marine community and has been the subject of several exhibits at Vancouver's Maritime Museum.
